

SOULS TO THE POLLS

Dear Friends and Souls to the Polls Supporters,

Souls to the Polls Milwaukee is organizing for the crucial upcoming 2022 elections when Wisconsin voters choose the Governor, U.S. Senator, eight US Representatives, all State Assemblypersons and seventeen State Senate races. In 2018 and in 2020 we were very successful in mobilizing voters to turn out. We focused on informing people about the absentee ballot, Voter IDs, early vote options, and helped to ensure that congregation members had rides to the polls.

Souls to the Polls is building a voting bloc to increase the power of African Americans to set policy priorities and to prevent ultra-conservative legislators from trampling voting rights. We want to keep our strength and momentum going after the significant victory in November 2020. We are initiating a three-month fund raising plan to raise \$50,000 which will expand our outreach and capacity to educate and mobilize voters.

Wisconsin continues to be viewed as a bellwether state by many analysts as one of the nation's most important battleground states. They predict Wisconsin's elections will play an important role in maintaining the balance of power in Congress and deciding the President of the United States in 2024.

If you have any questions regarding supporting our campaign, please contact Dale Dulberger at 414-801-5592 or Bruce Colburn at 414-559-7006. Souls to the Polls is uniquely positioned to reach potential voters through our network of neighborhood-based churches, the core of Souls to the Polls. Please join and support this important community voter mobilization effort.

With Peace and Solidarity,

Greg Lewis
